Our Inclusive Services Help Maximize Your Donations

Auctioneer Services

Michael is your auctioneer and day-of revenue strategist. He maximizes charitable giving with passion, energy, humor, and enthusiasm.

Valuable Live Auction Lot Donation

Michael donates a wine tasting experience for twelve people. When Michael is not an auctioneer, he is a wine entertainer and host for individuals and corporations around the world. This live auction lot offsets our fee.

We produce a powerful video to help drive more donations by educating and creating a bond with donors before the live auction begins. You can also have us produce a recap video to thank your sponsors and promote future events.
