Making Life's
Moments
Extraordinary

Certe Management is a professional services company with more than 20 years of experience in the design and implementation of exceptional corporate events, nonprofit fundraisers, social gatherings and more. We design, plan, and creatively consult with our clients, resulting in customized experiences for our clients and their guests.

From your big ideas to your smallest concerns, we ensure a stress-free process and realization of your dream event. Our hands-on boutique experience, combined with access to resources of a larger company means you and your event receive the attention they deserve. Certe Management's team of locally-based experts are ready to provide innovative solutions that will lead to creating memorable events and lasting memories.

Make Your Next Event A Success!

Every Certe Management event is designed to inspire imagination. We're driven by the excitement for what we do and a love of collaboration with our clients. Here are a few of our favorite spectacular outcomes that are sure to ignite some inspiration.

The team at Certe Management is known for our strategic, creative, and visionary event design. As event planning professionals, we pay attention to every detail, no matter how small it may seem.

We have assembled the finest team of decor, culinary, audio visual, venue, registration management, transportation and entertainment strategic partners. Our experience ranges from corporate events to nonprofit fundraisers and everything in between. We treat every event and client with an understanding that although the event may only last one day, the memories and experiences will last forever.
