GUEST INTERACTION

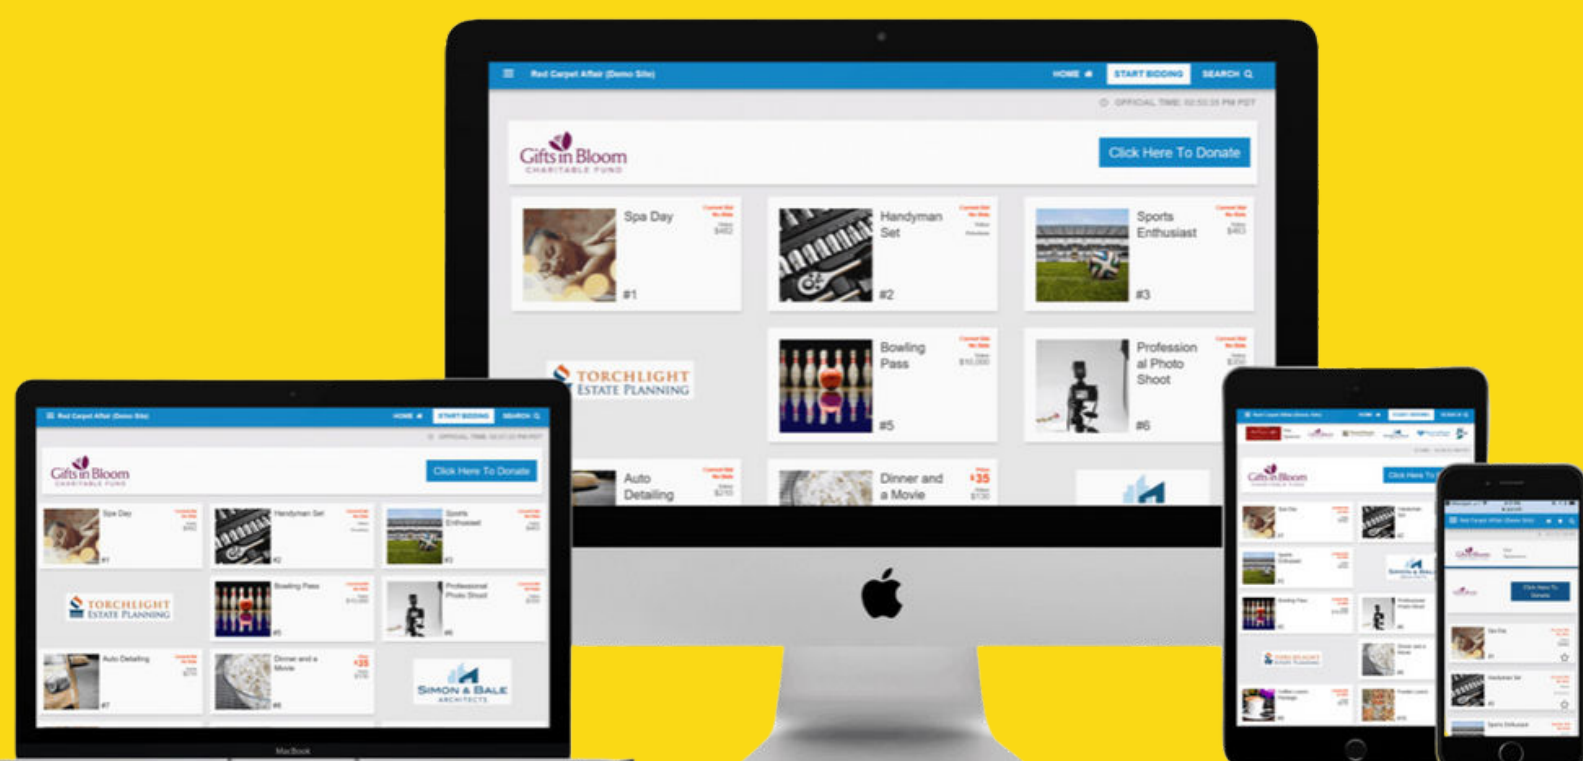

ON-SITE!

STAFF ALIGNED WITH YOUR GOALS.

LIFE Event Staffing specializes in providing human interaction for auction technology platforms, so our staff are continuously gaining experience across the industry. We provide only skilled and engaging personnel who can help establish relationships with your team and donors whilst ensuring your technology platform of choice runs smoothly. We are well-versed in the refinements that go along with non-profit clients and fundraising events. Clients don't solely need enthusiastic brand ambassadors; they require highly trained outstanding individuals who can confidently and knowledgeably complement your important fundraising event.

ALSO NEED EQUIPMENT? WE PARTNER WITH **FEIIO**

Our Certified Event Managers and Event Support are based across the US and Canada and all staff have a minimum of 5 years working within the fundraising industry. We are committed to providing professional, unrivaled quality to our clients and partners.
